

FOR *His* GLORY!

As each has received a gift, use it to serve one another, as God's good steward of God's varied grace.

To Our First Baptist Family,

It is an honor to serve our Lord and Savior Jesus Christ as the 2021 Stewardship Emphasis leaders. Pam and I have had no greater blessing than to be part of the First Baptist family for almost 40 years. We have grown our faith, raised our child, seen her baptized and married, dedicated our grandchildren here, and even grieved the loss of parents here. Our relationships with you have deepened as has our love of Christ.

Therefore, it is with JOY we give back a portion of our time, talents, and treasure to God through FBC..

God asks each of us to give our time through service – giving a cup of cold water in Christ's name. First Baptist offers so many opportunities within our church, in our community, and from Haiti to Africa. We can also give of our time through prayer and in Bible study – growing personally and sharing the peace, love, and hope of Jesus Christ with others.

We give of our talents in many ways from the nursery to the nursing homes, from teaching to technology. Whatever your talents may be, there is a place to serve others and the Lord. In *Experiencing God*, we have learned to see where God is at work and join Him.

Let's give of our treasures by returning to Him our financial resources to further His kingdom. These resources fund and fuel ministries and missionaries in Jerusalem (Montgomery), Samaria (United States), and to the ends of the earth. They are reaching the unreached people in His world. Can you place a value of a person's heart and soul that is given to Jesus Christ? Heaven rejoices with each decision to follow Jesus Christ, and we do too!

Prayerfully consider how you will give in each of these areas of your life in the coming year!

For His Glory,

Mike and Pam Newman // Stewardship Emphasis Leaders
