

Faithful generosity

WITH LITTLE, WITH MUCH, WITH ALL

October 23, 2023

Dear Faith Family,

Wendy and I are humbled and excited to serve as the 2023 Stewardship Emphasis leaders. We are so happy to be part of a congregation that has steadfastly served our God in Montgomery, Alabama, for 194 years. These 194 years are characterized by a "Faithful Generosity" toward furthering the gospel in Montgomery and to the ends of the earth. For generations, we have been a beacon on South Perry Street that beckons all to come.

However, there is still and always will be a need until our Lord returns, so we must graciously and faithfully join our God in sharing the good news! God has promised that He will give us all we need to fulfill the mission before us. He provides daily bread even at a time when the world would have us believe that you can only count on you. Yes! Our God faithfully and generously provides all that we need. He has blessed each of us with the exact gift that we need to do His good work.

This year's theme verse reminds us of our continuing commitment to and partnership with God in accomplishing the Great Commission. It is a reminder of God's faithfulness to His people. And finally, it reminds us that we must never give up. We are all critical to completing God's good work through FBC Montgomery. We all have a place in furthering the gospel. We are all important to God and our faith family.

Wendy and I ask you to join us and the generations of faithfully generous believers who have committed to doing the true, good, and beautiful work that God has put before our church. We must not grow weary of doing this good work. Please prayerfully consider how you can use your resources, gifts, and time to join us in serving our Lord. It may be with a little, it may be with much, or it may be with all, but whatever you bring to the altar, you are faithfully and generously joining with steadfast servants like Moses, David, Paul, Lee Compere, our past church leaders, and the thousands who have served through FBC Montgomery, to bring glory to God.

You are faithfully generous, and you are loved.

Soli Deo gloria,

Charles and Wendy Hamilton
Stewardship Emphasis Leaders

Let us not become weary in doing good, for at the proper time
we will reap a harvest if we do not give up.

Galatians 6:9
